

Africa Greater Life Mission UK

Registered with Charity Commission for England and Wales; no. 1115766

AGLMUK has supported Africa Greater Life Mission (a Ugandan charity) with children's projects in Wakiso and Kampala, Uganda, since 2006. The nature of that support has changed over the years but the fundamental objectives of AGLMUK still revolve around changing the life prospects of children and young men and women from impoverished backgrounds. We do this by:

- Paying school fees and buying requirements for primary school children.
- Supporting young people in the post-primary years in the most appropriate way for them. This might involve secondary education but may also involve vocational training, apprenticeships and/or assistance in finding work or setting up in business. Where appropriate university courses are funded.
- Employing people to mentor, provide health support and generally look-out-for the young people in question.
- Providing money for healthcare, food and other needs that we, in the UK all take for granted.

We can't do any of this without your support and so we give a massive THANK YOU to all of you who contribute through individual sponsorship, regular donations or one-off gifts.
